I understand that therapeutic massage therapy does not diagnose and heal illness, disease, any physical or mental disorder. Massage therapy is not substitute for medical examination. I understand that this treatment is designed to address the care and prevention of myofascial pain and dysfunction.

I understand that there can be risks to treatment, including but not limited to, tenderness, bruising, light headedness or dizziness which I do not expect all risks and complications to be explained before the treatment and I wish to rely on the judgement of my massage therapist regarding any risk management. Also, at any time I feel pain or discomfort during the session, I will immediately inform my therapeutic massage therapist.

I understand that I will be draped at all times and the areas undraped will be secure to insure there is no indecent exposure. I will also have the privacy to undress/dressed and the therapist will knock and wait for my reply upon entering.
