

Vaccine Exemption Letter

To Whom It May Concern,

I am writing to request an exemption from _____ vaccination requirement for medical reasons. After careful consideration and consultation with my healthcare provider, I have concluded that receiving the vaccine poses a risk to my health.

There have not been sufficient clinical studies on the effects of the vaccine in question on my chronic disease. I understand the importance of vaccination in preventing the spread of infectious diseases and protecting public health. However, I believe that in my case, the risks associated with vaccination outweigh the potential benefits. I am committed to taking other measures to protect myself and others from illness.

Thank you for considering my request for exemption. Please feel free to contact me if you require any further information or clarification regarding my request.

Sincerely,
