Additions

These additions are not part of the standard package, but in case you need assistance on these matters, we will be glad to help you with our professional business associates for an additional fee. If you need any other additional service which has not been included in this proposal please let us know.

Visa Assistance

Acquiring visas for travel can be time-consuming, and in certain instances, difficult. But with our assistance, we can help you secure your visa to your country of destination with the help of our experts. Secure your needs and see to it that you have what you need in getting your visa.

Travel Insurance

One of the most common needs that sometimes people tend to ignore. Some people ask if it's worth the need. We say "YES."

Having travel insurance helps protect you from any unforeseen medical emergencies, missing luggage, including cancellations. Many foreign medical facilities require an upfront payment prior to treatment. You can get benefits in additional hotel accommodations from instances of travel delay. Don't let incidents burden you during your trip. Have insurance included in your travel.
